

## Exposure To Opportunity Promoting Internships

Parents and educators express the importance of working hard to be successful. Youth today feel that internships are important to gain knowledge and experience for their potential careers, although they do not know what to do to get internship.

## Statistics

- According to SHRM.org, "Most high schoolers don't know how to apply for an internship."
- Accord to the youth in this room four of twenty-six knew how to apply for an internship.
- Also found on SHRM.org, "There are multiple reasons to apply for internships."
- According to kususlaw.org, "Most companies will not consider applicants who do not have work in the field."

## Recommendations

- Adult promotion of internships
- Talk to peers about local intern positions
- Reaching out to professionals
- Youth organized internship conventions
